Google chrome

& Chromebooks Part 1: **Science 8** **Chromebook# _____**

Name_____ Period____

It's your Responsibility…..

__1. Computer use is by **permission only and for Science assignments only.**
__2. Any other use, except checking grades, requires **EXTRA SPECIAL permission.**
__3. Use the Chromebook or Laptop that is assigned to you and your assigned seat number.
__4. Check the board for more directions.
__5. ALWAYS sign out before you leave.
__6. REPORT PROBLEMS when they happen!

__CHROMEBOOKS are still new! Take care. Follow directions. Save from more rules!

For your ***Google*** account, use a ***Chromebook*** or go to **Google.com** on any computer.

A. Sign in Information:

__1) Your user name is : GraduationYearLastNameFirstInitialmiltfreesd.org
Example: 8th grade: 20lastf@miltfreesd.org

__2) Your password should be student#lastf. If you are new it is miltfree.
If it is not student#lastf, change it to student#lastf. (888888lastf)

__3) Your *gmail* account is active, but YOU MAY NOT USE YOUR GMAIL account unless it is part of an assignment and there are no 8th grade Science *gmail* assignments.

B. Chromebook Settings: Click or tap on the lower right corner.

__1) Check the battery. If low:
Plug in and use at your assigned lab.
Be sure to plug it in when you leave.

__2) Adjust volume.

C. Use Google Chrome for the Central Science Page.

__plyter.com/science

__Add a bookmark for Science.

D. Locate Google Classroom.

__1) Science Page→Google Page→Google Classroom

__2) Sign in using the code for your class. See the board.

E. Locate your Google Drive.

__This is where your work is stored.
