

CENTRAL SUMMER SCHOOL SCIENCE: CHAPTER 1 CELLS QUIZ

Reference: *Prentice Hall Life Science Text (PHLS):*

Name _____

- A. Label the drawings by writing the correct organelle name on each line. (See organelle list below.)
 B. For 12-20, write the name of the correct organelle next to its function.
 C. Write Animal or Plant on the line below each cell.

12. Directs Cell _____
13. Traps light energy _____
14. Storage _____
15. Give the cell shape _____
16. Holds the cell together and lets things in and out _____
17. Produce energy for cell "powerhouse"

18. The fluid or "gel" of the cell that holds the organelles _____
19. Skin around the nucleus. _____

20. Makes ribosomes _____

Cell Organelles: Cell Wall, Cell Membrane, Nucleus, Nucleolus, Nuclear Membrane, Mitochondria, Ribosomes, Chromatin (Chromosomes), Vacuole, Chloroplasts, Cytoplasm, Golgi Body, Lysosomes,
