

A. Water Cycle:

Label by writing terms on diagram.

- 1) Evaporation
- 2) Transpiration (or trans-respiration)
- 3) Condensation
- 4) Precipitation
- 5) Infiltration

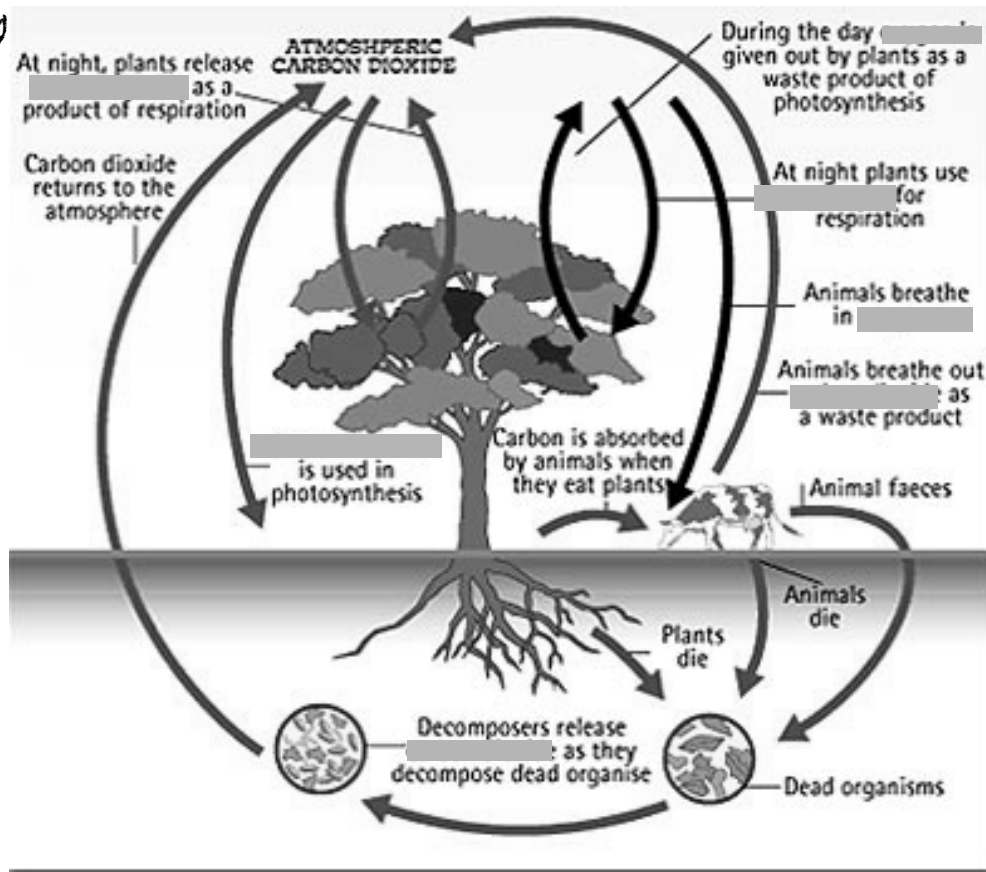

B. Carbon-Oxygen Cycle

1) Label by writing the formula, O_2 or CO_2 on each shaded rectangle.

2) Color code the arrows:

O_2 blue
 CO_2 red.

C. Write the chemical equations using words AND formulas:

Photosynthesis:

Respiration:
