9	7th (20)						
10	8th (29)						

Analyze your Central OAKS Preview Practice using a Spreadsheet (such as EXCEL).

- Complete the Central OAKS Practice for Grades 6, 7 and 8.
- Type the above spreadsheet design to graph your scores.
 Or, use the "TEMPLATE" from Central Science Homepage--> Worksheet Page).
 ___ Save as.... Be sure to save in your DOCUMENTS FOLDER with your name and "OAKS Practice".
 ___ Type your scores in the correct cells.
 ___ Highlight your data from A4 to G5. **Insert-->** Chart, to make a graph.
 ___ **Chart-->** Options, to add the Title, your name, date and labels.
- Move your graph to the left so it is under your data to fit on one page. Save.
- Print Preview. Have Checked BEFORE you print. Print page 1 to 1.**
- Determine the 2 areas that you need the most work. Write them Here and below your graph.
 1. _____ 2. _____
