

Name Per

For Vocabulary Practice

Find at Dictionary.com or Central Science Home Page \rightarrow Practice Tests.

Use Word Dynamo for

- a) online vocabulary practice and/or
- b) printing flashcards for practice.
- 1. For Science Points, record your lists. Start on this paper.
 - a) Search for CMS8. Choose a CMS8.Mrs.Plist or ASK.
 - b) For online study, have checked on the screen!
 - c) For printing and studying a printed list, the points vary. ASK.
 - d) There are directions for making your own Science List. ASK.
- 2. To practice online, search for a subject or list that you want. "Play".
- 3. To print the list or flashcards for the list, ASK. Then read on....
 - a) **Print Cards** gives you cards that you fold to put the definition on the back. They don't always fit on the page, so Print Preview and try changing the %-age to get full cards on each page.
 - b) Print a list, gives you a list with definitions.
 - c) Print to Avery works well and fits on the page. No labels needed. It puts the definition on back, so you need to flip the paper (READ THE DIRECTIONS) to print on the back, or print both sides and glue them together.
 - d) Take care if you cut. Measure and MARK first.
 - e) Punch and keep in your Science Binder.
